Additional Information and Requests

Teams

If you are interested in playing in club matches, please note that we have ladies, men and mixed teams (without age restrictions) that play in summer inter-club leagues, both competitive and friendly, and we also have ladies over 40s, 50s and 60s teams and men's over 45s and 55s teams which play in winter leagues. More information on teams can be found on the club website.

British Tennis membership (see below) is a requirement for all league team players.

British Tennis Membership

Club membership automatically entitles you to become a British Tennis Member at no additional cost and subject to their terms and conditions as at: www.lta.org.uk/BritishTennisMembership/Termsandconditions.pdf

Note that British Tennis membership is a requirement if you wish to play in most of the club teams, and also if you wish to enter the club's Wimbledon Ticket ballot.

To join British Tennis, simply proceed to: <https://www3.lta.org.uk/Members/Join/>

Shoe Tags

Due to the ClubSpark database being readily available to resolve any queries, we have decided not to issue membership shoe tags for this year 2017-18.
